At the high price of *\$2.3 billion dollars*, it will be more than the New Jersey MetLife Stadium who's \$1.6 billion dollar price tag pales in comparison. The New Jersey Metlife Stadium is currently the league's most expensive venue, according to *CNN*.

## Why Will it be so Costly?

The new stadium will feature a transparent canopy that will cover the entire stadium. The stadium will also change colors depending on which teams are playing, winning, entering, ect.
